Here's a money saving tip to help shrink your energy bill

Taking a shower costs less than a bath.

You can have up to five 5 minute showers for the same cost as one bath.

Go to uw.link/energy-tips for more ways to save.

About your gas tariff

Tariff **Double Gold**

Payment method **Direct Debit**

Tariff ends on **No end date**

Exit fees **£0.00** (only if you change tariff/ supplier before expiry date)

Your usage (Estimated) **OkWh in the last 12 months**

Could you switch and pay less? Your personal projection is £72.29 per year. This is based on your current tariff and estimation of how much gas you'll use. You're on our cheapest similar tariff already. Our cheapest alternative tariff is Green Fixed 12 (Direct debit), which could save you £14.55 per year.

The small print

Please note that switching tariffs may involve changing to materially different terms and conditions; you'll find more information about your tariff overleaf. To be eligible for our Green Fixed 12 tariff you must be taking Home Phone, Broadband and Mobile at a minimum cost of £36.49 per month. Optional upgrades are available for an additional cost.

All projections and savings include your energy usage, standing charge and VAT.

Check if you're on the best tariff for you
Scan this image to download your key energy data to your smartphone or tablet.

How do we calculate the cost of gas or electricity used?

We multiply each kWh you use by your unit rate.

How to work out your daily standing charge?

Divide the total standing charge displayed in your bill by the number of days in the period of your bill.

How do you calculate a kWh (kilowatt hour) on my gas bill?

Your gas meter measures the gas you've used in cubic metres or 100s of cubic feet. We convert this to kWh when we calculate your bill. To convert a cubic feet measurement into cubic metres, we multiply it by 2.83. We multiply the cubic metre figure by the correction factor and then by the Calorific Value (CV). Finally we divide the result by 3.6 to reach your kWh figure. This is a standard calculation that all gas suppliers must follow. Find out more about your calorific value at uw.link/calorific.

- Metric meter: $kWh = ((Read2 - Read1) * 1.02264 * CV) / 3.6$
- Imperial meter: $kWh = ((Read2 - Read1) * 2.83 * 1.02264 * CV) / 3.6$

These figures are for example only, use the formula and your units used to calculate your bill.

Who supplies my gas?

Utility Warehouse Limited is responsible for the management and billing of your gas supply on behalf of our wholly owned subsidiary Gas Plus Supply Ltd (registered in England number 5199935. Registered Office: Network HQ, 508 Edgware Road, The Hyde, London NW9 5AB), your licensed gas supplier. VAT Number: 135 5949 86.

A few key terms

Calorific value – this is measurement of the energy content of gas.

National Grid gives us daily amounts, which we average over the period of your bill.

Correction factor – the amount we adjust to take account of standard temperature and pressure conditions

Meter Point Number – a unique number given to your gas supply

Not happy with your service?

If you feel we've let you down with our energy services, please let us know on 0333 777 0 777 or at uw.co.uk/contact. We'll work to resolve your complaint within one working day. If you're unhappy with how we deal with your complaint, please ask to speak to a member of our management team or one of our specialist teams.

If your complaint isn't resolved within the expected timescale, please contact our Customer Resolutions team on 0333 003 5 648 or at customerescalations@uw.co.uk. You can also write to them at Member Resolutions, Network HQ, 508 Edgware Road, The Hyde, London NW9 5AB.

It's easy to get free, independent advice so that you 'Know your rights' as an energy consumer. You might want to get a better deal, find out how to make a complaint, get advice about the quality of your energy supply, or ask for help if you're struggling to pay your bills. To 'Know your Rights' visit www.citizensadvice.org.uk/energy for up to date information or contact the Citizens Advice consumer service on 0808 223 1133.

If we haven't managed to resolve your complaint to your satisfaction within eight weeks, you can contact the Ombudsman Services: Energy on 0330 440 1624 or via ombudsman-services.org/energy. They offer a free, independent service for investigating complaints.

Looking after our customers

Our aim is to be the Nation's most trusted utility supplier – the one you'd recommend to your mum – and we are committed to treating our customers fairly. So if we have let you down in any way, please let us know as soon as possible; we promise to investigate your complaint fully, and respond in a timely manner.

The easiest way to start this process is to call our customer service team on 0333 777 0 777 or contact us online uw.co.uk/contact. If you are unhappy at any point, you can ask to speak with a member of our escalations team, who may refer the matter to a specialist team or a manager. Following this, if the issue still hasn't been resolved to your satisfaction, please write to our Chief Executive's Office at Utility Warehouse Network HQ, 508 Edgware Rd, The Hyde, London, NW9 5AB. You can find further information at uw.co.uk/legal/codes-of-practice.

In the unlikely event we have been unable to resolve your complaint within 8 weeks of you having raised it with us, or if the above procedure has resulted in deadlock between us, then you have a right to ask Ombudsman Services Communications to independently review your complaint free of charge; you can contact them by phone on 0330 440 1614, by textphone on 0330 440 1600, or online at www.ombudsman-services.org/communications.html.
